2ND Annual • Family Fête Celebration

GINGERBREAD COTTAGE

Saturday, August 27, 2022 Douglas County Libraries in Lone Tree

Join the Douglas County Libraries Foundation to sponsor our second annual Family Fête! Your support of this event, and its sister gala, in its seventh year, helps ensure the longevity of the libraries that mean so much to our community.

Our Family Gingerbread Cottage event will delight young and old, dressed in their favorite Hansel & Gretel-inspired costumes! They'll enjoy fun food and drinks, games, activities, crafts and more. A special Storytime and a fantastic silent auction for the whole family will round out the evening.

Your sponsorship helps you reach thousands of people via email, plus 300 event guests, while helping them enjoy an evening they won't soon forget. Your generosity also helps fund important library programs for youth, adults and families,

and helps ensure the long-term success of our outstanding libraries, which are critical to our community's education, workforce development and economic development.

You'll leave the Family Fête with wonderful memories, knowing because of your support, your libraries will continue to be great places for young and old—where all can enjoy reading, discovery and connection for generations to come.

Learn about the amazing benefits of adding your name to our list of prestigious sponsors!
