

SAFETY POLICY

Douglas County Libraries welcomes everyone. Welcoming spaces and services can only flourish in the context of safety. The Library will maintain and enforce a *Customer Code of Conduct* for the safe operation of its libraries. The Library directs staff to report unsafe conditions or questions about violation of the *Customer Code of Conduct* to supervisors or law enforcement as appropriate. The Library partners with local law enforcement to achieve safe and welcoming Library facilities and services. The Library will identify and provide staff training concerning safety practices and expectations.
