MEMO

To:	Douglas County Libraries Board of Trustees
Date:	January 31, 2024
From:	Patti Owen-DeLay
Subject:	Consent Agenda Recommendation(s)

ISSUE:

Review and approve Consent Agenda item(s).

DISCUSSION:

The Consent Agenda follows the process outlined below:

- Items will be recommended as norm or appropriate for the Consent Agenda
- Any board member can suggest adding or pulling items from the Consent Agenda
- It takes a motion and unanimous vote to add items to the Consent Agenda
- Any one board member can request to pull consent items for further discussion, which will then be moved for discussion and possible action under Library Business
- Motion recommendation will be accepted as proposed; if an amended motion is needed, we will pull the item from the Consent Agenda to accomplish this

Consent Agenda Items for this meeting are:

1. Minutes 1/9/24 Special Meeting Budget Hearing
2. Annual Designation of Board Public Notice Posting
3. Ratification of Emergency Action – Ransomware Incident
4. Ratification of Emergency Action – Water Line Break
5. Removal of Trustee Volunteer Agreement and Removal of Trustee Manual
6. Bylaws Change – Removal of District “Seal”

RECOMMENDATION:

Motion to approve the consent agenda items as presented, or as amended (if an item or items were pulled).

DOUGLAS COUNTY LIBRARIES
Board of Trustees Budget Public Hearing and Business Meeting
January 9, 2024
Castle Rock, Colorado

President Burkholder called the business meeting to order at 5:30 p.m.

This meeting was held and was noticed in compliance with both Colorado Open Meeting Law and the Douglas County Libraries Bylaws.

The following were present:

TRUSTEES: Suzanne Burkholder, Jessica Kallweit, Rick LaPointe, Zach McKinney, Terry Nolan, Meghann Silverthorn, and Ted Vail

Silverthorn attended via conference phone.

A full board was present, achieving quorum.

STAFF: Bob Pasicznyuk, Casie Cook, and Patti Owen-DeLay

PUBLIC: None

CONSENT AGENDA:

Nothing was removed from the consent agenda. There was no discussion.

1. Minutes December 6, 2023
2. BOCC resolution reappointing Terry Nolan

MOTION 24-01-01SP: LaPointe moved and the motion carried unanimously to approve the consent agenda consisting of the December 6, 2023, Board Business Meeting minutes and the Board of County Commissioners Resolution #R-023-123 reappointing Terry Nolan for a second term. McKinney seconded the motion.

BUDGET PUBLIC HEARING

Burkholder opened the public hearing, stating: The Douglas County Libraries Board of Trustees is now convened and I now hereby open the Public Hearing. In compliance with Colorado Statutes, and as legally noticed, this public hearing is being held on January 9, 2024, for the purpose of adopting the Final Budget for 2024.

The proposed 2024 Budget is in your packet and is made a part of these Resolutions and is presented for adoption as the Final Budget of Douglas County Libraries for 2024.

No adjustments are being proposed to the presented budget. It was noted that the final budget was an 11.5% increase, not 13% as shown in the memo on page 21 of the packet. This reduction was due to taking into account ending 2023 fund balance.

Burkholder stated that the board would be open to citizens' comments concerning the Douglas County Libraries Final Budget for 2024.

No public comments were made on the adoption of the 2024 budget.

MOTION 24-01-02SP: Vail moved and the motion carried six to one to adopt **RESOLUTION 2024-01-01** Adopting a Budget, **RESOLUTION 2024-01-02** Setting Mill Levies, and **RESOLUTION 2024-01-03** Appropriating Sums of Money. Nolan seconded the motion.

The 2024 budget passed as presented.

Burkholder closed the Public Hearing.

TRUSTEE COMMENTS

Burkholder urged trustees to consider leadership positions which will be appointed at the January 31, 2024, annual meeting.

UPCOMING BOARD MEETINGS

From:	Patti Owen-DeLay
Subject:	Annual Designation of Board Public Notice Posting

ISSUE:

Annual designation of the official location and a backup location for posting of board public meeting notices.

DISCUSSION:

Under Colorado Open Meeting Law (C.R.S. 24-6-401) the library is required to annually designate the location for public notices for library board public meetings, along with a backup site. In recent years, the law was modified to allow the local government website to be the official posting place.

RECOMMENDATION:

Motion to continue designating DCL.org, the library website as the official site for notice of board public meetings, with the Philip & Jerry Miller Library as the backup location in the event the website is inaccessible.

Subject:	Board Notice – Ransomware Incident

ISSUE:

Ransomware Incident and policy compliance.

DISCUSSION:

We experienced some issues impacting the availability of our services over the past few days with some IT outages.

Our IT security team did recently learn that the IT issues affecting certain services were due to a ransomware attack.

Our teams are in the process of investigating the outages and bringing the systems back online as quickly and safely as possible.

The library has engaged external cybersecurity specialists to work on this, and we are hoping to restore full services soon. I do not have a time estimate on when this will be.

The Library Risk Management Policy anticipates exigent events and allows the Executive Library Director to act quickly in the best interest of the Library. Stating:

In the event of a natural or human made disaster, act of terrorism or other disruption to Library operations, the Executive Library Director is given authority to act as needed outside the scope of authority otherwise delineated in policy.

I will provide the Board with a full account of our response and costs when the issue is resolved.

RECOMMENDATION:

Motion to ratify the emergency actions of the Executive Library Director in this incident and to grant continued authority to act until the matter is resolved, while keeping the Board informed of those actions.

Subject:	Board Notice – Emergency Response Highlands Ranch Library

ISSUE:

The area's unusual, low temperatures this last month resulted in pipes freezing and flooding conditions on the first floor of the Highlands Ranch Library.

DISCUSSION:

Staff detected flooding at the Highlands Ranch Library on 1/17/2024. Facilities staff diagnosed and cured the acute problem stopping further flooding and then engaged a remediation firm to remove the existing flood water and professionally dry the building against further damage and mold.

Moisture damage will require replacing dry wall, floor molding, and collection items. The pipes that failed were located in the wall proximate to the first floor, women's rest room. That wall will require more extensive repairs – dry wall, tile, molding, and similar materials. The area of failure will be buttressed by insulation or other measures advised by contractors.

About 70 collection items were damaged by flooding.

In keeping with repair needs and safety practices, the Executive Library Director closed the facility on Wednesday, January 17, 2024 with an expected re-opening date of Saturday, January 27, 2024. All repairs will not be complete by re-opening, but contractors and vendors can accomplish those repairs outside of Library scheduled hours.

Library Risk Management Policy anticipates exigent events and allows the Executive Director to act quickly in the best interest of the Library. Stating:

In the event of a natural or human made disaster, act of terrorism or other disruption to Library operations, the Executive Library Director is given authority to act as needed outside the scope of authority otherwise delineated in policy.

I am informing the Board of my actions in response to this event. I have authorized repair of the Library to return the facility to service at the first, practical opportunity. The costs of this event are still mounting. The Library maintains insurance coverage with a deductible of \$50,000. The cost of repairs and remediation will surpass the deductible amount.

I will provide the Board with a full account of our response and costs when all repair and recovery efforts are complete.

RECOMMENDATION:

Motion to ratify the emergency actions of the Executive Library Director in this water line break incident and to grant continued authority to act until the matter is resolved, while keeping the Board informed of those actions.

From:	Patti Owen-DeLay
Subject:	Removal of Trustee Volunteer Agreement and Trustee Manual

ISSUE:

The Trustee Volunteer Agreement is no longer relevant and the Trustee Manual is outdated.

DISCUSSION:

In 2019, the Board adopted the Trustee Volunteer Agreement as part of the library seeking an Enterprise volunteer program designation. The library has moved away from that program. With the 2022/2023 Board Bylaws updates, attorney review and recommendation, all important elements of the Trustee Volunteer Agreement are included in the Board Bylaws, making the agreement mute.

The Board adopted the Trustee Manual in 2013, reviewed and revised it in 2018 as an onboarding and reference tool. The tool is outdated having last been updated in 2022, and key elements of the tool are in the Board Bylaws and Policies. Additionally, this tool is not widely used by trustees.

RECOMMENDATION:

Motion to de-sanction the Trustee Volunteer Agreement and the Trustee Manual as official Board documents.

Date:	January 31, 2024
From:	Patti Owen-DeLay
Subject:	Bylaws Update – Removal of District Seal

ISSUE:

The District Seal is an impediment for compliance with recent website accessibility law.

DISCUSSION:

Article XII. Seal of the Douglas County Libraries Board Bylaws states:

The seal of the Library Shall be a circle with the words “DOUGLAS COUNTY LIBRARIES” contained therein, and that the Library Seal shall be affixed to all official and legal documents of the library.

The District Seal has been a part of Douglas County Library Bylaws since the inception of the library as a District. Due to issues with formatting and how accessibility software read the seal image, staff investigated how to mitigate this, including why we have the seal and if it is a legal requirement.

In today’s age of electronic documents, the seal is outdated and has become an unmanageable and unnecessary administrative task, that if kept would require more definition of “official and legal documents”. In a review of Colorado Library Law, we found and the attorney concurred that the “seal requirement” was misapplied to the library district when it is in fact only a requirement of Regional Library Districts. We have no evidence of any law that requires a district seal. Additionally, we know of no situation where an outside agency has required that the district seal be applied to a document that we are executing.

The following requirements are necessary for any amendments to the bylaws or policies:

Notice of proposed Bylaws or Policy changes must be in written form and received by all Trustees at least five (5) days prior to the first reading.

Bylaws and Policies may be added, altered, amended or repealed on first reading at any regular or special meeting of the Trustees if all members of the Board are present and the vote is unanimous. If all members are not present or the vote is not unanimous, but the majority present votes in favor of the Bylaw or Policy amendment proposal, it will be presented at the next regular meeting of the Board, at which time it can be added, altered, amended or repealed by a simple majority of the Board present and voting.

RECOMMENDATION:

Motion to modify the Douglas County Libraries Board Bylaws by removing Article XII. Seal.

Subject:	January Executive Library Director's Report

ISSUE: Monthly Library Report

DISCUSSION:

Communications: Important news and answers to information requests.

Douglas County Libraries focuses on a 7-fold business plan that resonates with our community.

Access	Content that supports our neighbor's love of reading.
CARE	Making personal connections with customers beyond mere transactions.
Hub	Well-appointed spaces for our community to work, meet, and play.
Young Minds	Early learning as the best foundation for school and life.
Events	Activating the love of reading through bespoke community activities.
Beyond K12	Custom business, citizenship, and language instruction.
Our Story	Preserving our community's history and memories.

Late Fees No More. On January 1, the Library stopped charging late fees on overdue loans. In Library parlance, we are *fine-free*. Staff updated customer accounts relieving \$770,000 in back charges late fee charges. We also removed point of sale options from checkout kiosks mitigating the ongoing costs of hardware and software. Customers still reimburse the Library for lost and damaged items. As you'd expect, customer response has been positive. We've seen no adverse impacts.

Revenue. Governor Polis called the State Legislature into special session in November about property tax escalation. The legislature lowered the property tax appraisal rate and raised deduction values. This impacted December budget deadlines and County Assessor support. The Board passed the Library's budget and allocated funding on January 9, 2024. The Board temporarily reduced the Library's property tax levy for 2024 saving taxpayers about five million dollars. The 2024 budget sustains services our customers expect while limiting property taxes in the assessment period to about the rate of inflation. Library average revenue growth remains below historic averages of 6% each year. Library expenses for the pre-budget period (January 1 – 9, 2024) were \$415,385.

Highlands Ranch. Our pipes at our Highlands Ranch Library survived twenty Winters, but not the temperatures of January 2024. Late night January 16 or very early January 17, a pipe burst flooding much of the 1st Floor with several inches of water. Facilities staff cured the immediate problem and then dispatched a remediation firm to abate flood waters and remove flood-damaged materials. The Library was closed during this period for the work and customer safety. Dry wall and restroom repairs will begin soon. I will report expense totals for this event once those totals are available. A small number of books were also ruined in the event – less than a thousand dollars in content. Staff were assigned to other locations from January 17 through much of the week of January 21. The anticipated re-opening date for the Library is Saturday, January 27. Contractors will conduct much of the repairs outside of Library scheduled hours.

Ransomware. Our Library is responding and recovering from technology network vandalism, trespassing, and theft. The Library is working with our insurer and cyber-security experts to replace our digital assets and harden our systems against recurrence.

Trends: Professional and political events relevant to our business.

A bill is now in the education committee setting requirements for removing library content due to citizen challenges. It's SB24-049 and is available at <https://leg.colorado.gov/bills/sb24-049> and is also posted on trustee SharePoint space. Prime sponsors, Senators Lisa Cutter and Chris Kolker and Representatives Junie Joseph and Eliza Hamrick. The bill tilts toward school libraries, but sets directives for public libraries as well. The bill's initial text borrows heavily from the American Library Association *Library Bill of Rights*. The bill requires libraries to have a process to answer challenges or objections and prohibits disciplining staff who refuse to remove content before any process is complete. The Bill requires the State Library to maintain records of challenged items and the disposition of challenges.

There's a new library professional association that is trying to gain footing in Colorado and beyond – *The Association of Library Professionals (ALP)*. This association is prioritizing the library's time-honored and traditional values of neutrality and freedom of thought while organizing content to support parent's supervision of their children's reading. My take on the group is that they are a counter to much of the profession's activism under the rubric of social justice. The leadership behind this group is thoughtful and intellectually first-rate – <https://hxlibraries.substack.com>.

Our compensation sources survey employers and are forecasting merit increases in 2024 between 3.5% and 4.1%, slightly lower than 2023. The Library's merit increase will be 4%.

Accomplishments: Work in progress and coming soon

Subject:	Annual Voting Process by Ballot and Election of Board Officers

ISSUE:

Per Bylaws Article IV. Officers, Section 2. Election. The Board shall elect officers annually from among current membership of the Board at the Annual Meeting.

DISCUSSION:

The Board has opted to vote for officers through a ballot process. The board has outlined the process to be:

1. Prior to the Annual Business Meeting, the Board President will garner interest.
2. On the day of the Annual Business Meeting, sheets will be put out with the office positions under consideration.
3. Trustees will be given time to put their name under one or all of the officer positions, which will then become the ballot list. The ballot list following this memo will be modified to reflect the names reflected on the sheets noted above in #2, blacking out names where trustees did not indicate interest.
4. In the Annual Business Meeting, the Board President will announce the annual election of officers.
5. The Board President will ask for a motion to vote anonymously by ballot. Once made, seconded, discussed if needed, and approved, the process outlined here will continue.
6. The Board President will then get the ballot list from staff, confirming that the ballot reflects trustee's interest for each office.
7. Staff will hand out a ballot to each trustee.
8. Trustees will mark their one choice for each position. Fold their ballot and return to staff.
9. Staff will tally the ballots and read the results into the minutes, identifying the 2024 board officers.

Ballots are anonymous and the votes remain anonymous.

RECOMMENDATION:

Motion to accept the process for voting by ballot as outlined above for the 2024 election of officers.

AND

Motion to approve the 2024 ballot as presented, (or as amended if needed).

Subject:	Annual Appointment of Board Representative Opportunities

ISSUE:

Annual appointment of Board Representative Opportunities

DISCUSSION:

The Library has a number of partnerships and affiliations. Currently, three of these present representative opportunity for trustees. Staff are also involved with all of these partnerships, and provide backup and other support as needed.

1. The Partnership of Douglas County Governments (PDCG)

The Library is under an Intergovernmental Agreement with other county-wide entities, known as the Partnership of Douglas County Governments. This group is charged with fostering communication, sharing information and collaboration among the Douglas County Board of County Commissioners, the City of Castle Pines, the Town of Castle Rock, the Town of Larkspur, the City of Lone Tree, the Town of Parker, the Douglas County School District, Douglas County Libraries and the Highlands Ranch Metro District.

The group collaborates on projects and focuses on similar initiatives.

The representative for this position is expected to attend the every-other month elected officials' meetings, support and promote PDCG activities, share information on library and partnership activities to the PDCG, and report back to the Library Board on key activities of the partnership and its members.

2. Douglas County Youth Initiative (DCYI)

The Douglas County Youth Initiative is an offshoot initiative from the PDCG. The Youth Initiative is a method of coordinating local youth-serving efforts and assessing the needs of the youngest residents by envisioning a community in which youth are involved, valued, productive, protected and healthy.

Programs of the Youth Initiative include Outstanding Youth Awards, the Youth Congress, and WrapAround. Resources are provided in the Youth and Family Resource Guide.

The representative for this position is expected to attend the DCYI meetings, support and promote DCYI activities, share information on library and partnership activities to the DCYI and report on DCYI activities to the Library Board.

3. Douglas County Libraries Foundation (DCLF)

Under the bylaws of the Douglas County Libraries Foundation, there is a Class I Director of the DCLF that is a library board trustee. This trustee is a conduit of information between the Board and the DCLF.

While not under the fundraising expectations outlined in the Foundation Bylaws for Class II Directors, this representative is expected to attend quarterly foundation meetings, support and promote foundation activities, make an annual donation of at least \$1 to ensure the foundation retains a high Charity Navigator rating and “scorecard” for grant applications, and share information on library activities to the DCLF and report on DCLF activities to the library board.

The board appointed Jessica Kallweit as the 2024 representative at their September 2023 meeting.

RECOMMENDATION:

Motion to appoint _____ as the library board representative to the Partnership of Douglas County Governments.

Motion to appoint _____ as the library board representative to the Douglas County Youth Initiative.

ISSUE:

Annual Conflict of Interest Forms

DISCUSSION:

Under Colorado Law (C.R.S. 24-18-101, et seq) trustees are required to comply with ethics around the execution of their duty as a trustee. Additionally, the annual audit includes a review of any trustee conflict of interest notifications.

This includes:

- Disclosure of any conflict of “private interest”
- Use of any confidential information for personal benefit
- Accepting gifts or economic benefits as inducements – The current statutory gift threshold is a value of \$53 or more.

We accomplish compliance by:

- Annual conflict of interest form completion
- Announcement of responsibility to recuse yourself from any board business that is a matter of conflict for you
- Ensuring any library gifting to trustees does not exceed the statutory threshold and informing trustees of this limit

RECOMMENDATION:

Complete the Conflict of Interest form when distributed.
