

LOBBYING POLICY

The Board recognizes that decisions by legislative and administrative bodies at the Municipal, County, State and Federal levels have significant effects on the Library's ability to carry out its mission successfully. Therefore, the Board authorizes the Executive Library Director to engage in advocacy activities on behalf of the Library's interest.

The Library, of course, will observe all applicable laws and regulations while engaging in lobbying efforts whether those activities are carried out independently, or in concert with representatives of other interested libraries, library associations, and others having a common interest. The Library may use reasonable resources, such as administrative assistance, office space, office supplies, office equipment, and necessary travel expenses, in representing the interest of the Library.

No Library funds shall be used to influence any campaign for public office.
