the original

spirograph[®]

- 1. Lift the frame and place a sheet of paper inside the corner marks as shown to the right.**

- 2. Close the frame. Place the large gear ring inside the teeth of the frame to lock it into place.**

- 3. Choose a gear and place it inside the gear ring so the teeth are engaged. We recommend gear A to start.**

4. Insert a marker into one of the holes in the gear. Holding the marker upright as shown, move the gear along the teeth on the inside of the gear ring. Continue drawing until the marker meets back up with the point where the design began.

Tip: For best results hold the marker straight up and down, move it slowly and don't put too much pressure on the gear.

Using the Frame

You can also move the gears around the teeth inside the frame to create rectangle designs. They make great picture frames!

Creating designs with the gears

Each gear and hole will create a unique design. This chart will show you what gear and hole to use to draw each design.

Fun Ideas

Draw lines in and around your Spirograph® designs to transform them into pictures! Get creative and let your imagination run wild!

Flower

Snail

Bunny

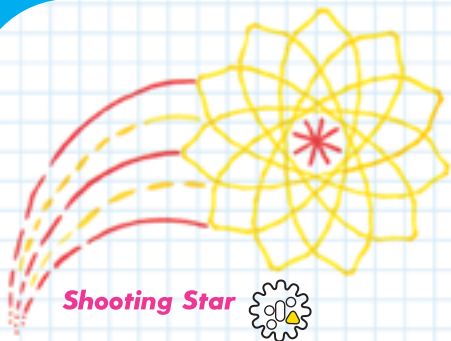

Crab

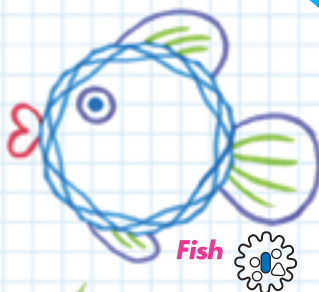

Lion

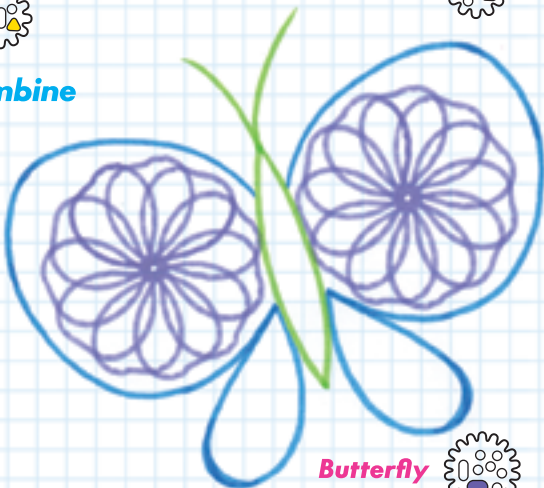

Shooting Star

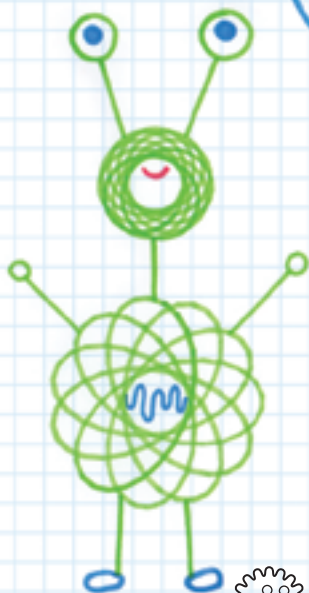

Fish

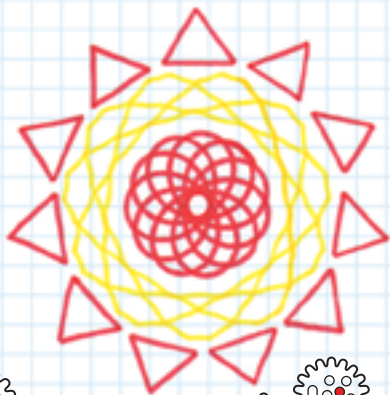

**You can even combine
two Spirograph[®]
designs to make
more complex
drawings!**

Butterfly

Alien

Sun

Other Tips

- The holes in the gears work with the markers included in this kit, but will also work with other markers and crayons.

- Practice! Practice! Practice! Discover the possibilities as you draw more Spirograph® designs.

- The desk is designed to work with half of an 8.5x11 inch standard sheet of paper.

- Your Spirograph® carry-along desk is a great place to neatly store all of your supplies!

STAIN ADVISEMENT: Ink may stain some surfaces. Keep away from painted walls, wallpaper, wood, vinyl, carpeting and other materials that cannot be laundered. **FOR BEST RESULTS:** Markers can be washed from skin and most washable clothing. Wash promptly in hot water. Do not use prewash or chlorine bleach. Repeat laundering may be required.
